Crowsley Loop

5. Continue on the footpath across a field (often with horses in it), through a gate into the next field and across to a footpath where you exit the field. Walk along the footpath and turn right onto a track at the end. Continue until you reach Sonning Common Road. Turn right.
6. **Walk carefully along the road** until you reach a set of brick steps to your left. **Cross the road carefully go up the steps** and straight ahead on the footpath (keep left at the first post). Keep straight on (admiring the views) until you reach another road at the bottom of a short, steep slope. **Take care crossing the road** and walk a short way left, then take King's Farm Lane to your right. Walk up the lane until you reach a split in the lane with cottages ahead. Go left along the lane until you reach a wooden 5 bar gate labelled Flowercroft Wood on your left.
7. Go through the right hand side of the gate and continue to a T-junction of paths. Go left and keep on the path as it bends right. Keep straight on crossing other paths and eventually downhill.
8. At the bottom of the hill turn right and keep on the path until it comes to a gate and out to the field. Turn left along the field edge and then left up a lane. (The field can be very muddy in wet weather). Go up the lane past barns and emerge onto Blounts Court Road. Turn right along the road (there are no footpaths here so take care). **Cross carefully** into Widmore Lane turning left.
9. At the junction with Peppard Road **cross** carefully ahead into Wood Lane. Walk along Wood Lane to the junction with Reades Lane and turn right. Continue along Reades Lane back to Memorial Park and Kidmore End Memorial Hall.
