

Tokers Green Loop

11.9km

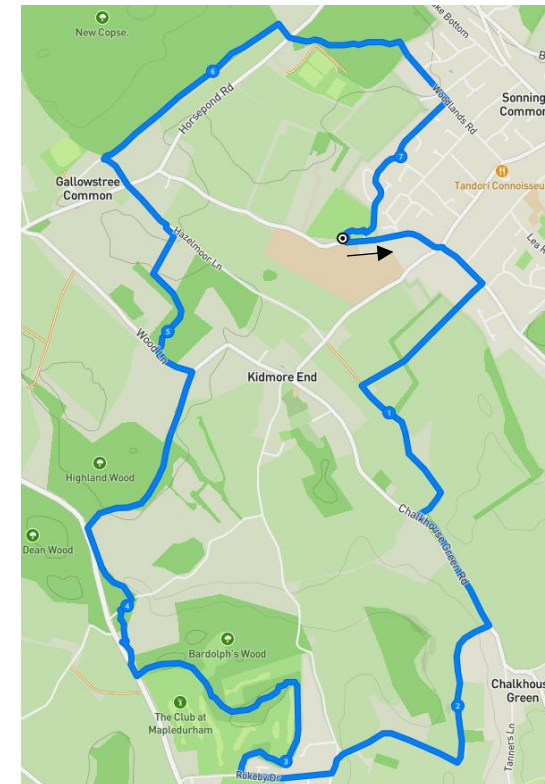

Why not collect some leaves on this walk and make leaf pictures when you get home?

ROUTE

1. Start and finish outside Kidmore End War Memorial Hall, at Memorial Park where parking is available.
2. Head out of Memorial Park and left onto Reades Lane. At the junction with Wood Lane **carefully cross ahead to** Kennylands Road and continue straight on.
3. Turn right down the narrow footpath beside an entrance road to Farina Garage. Go straight across the field, through the small wood, cross the next field and through the gate turning left onto the lane (Blackmore Lane). **Note, the field you have crossed may have cows in it. If you need to turn back to Kennylands Road, follow the alternative route.**

Tokers Green Loop

4. Pass a beautiful old house (Vines's Farm) to your left. At the end of the lane, turn left onto Chalkhouse Green Road, (there is no footpath so take care) and continue until you reach a lane to your right labelled Restricted Bridleway. Go quite steeply downhill, the lane bends left and right and on to a narrow road.
5. This emerges onto Tokers Green Lane by a small pond to your right. **Take care when crossing Tokers Green Lane.** Turn first right into Rokeby Drive. Just beyond the end of the houses take the footpath to the right, through a gate marked private property. This is a public path round the golf course to your left. Turn right and follow the path round the golf course. Keep right at the first split in the path, straight on at the crossroads of paths, continuing on until you reach Chazey Heath Road. **This is a busy road (A4074), stay on the footpath a short distance passing the Packhorse pub on your right.**
6. Turn right onto the footpath at the end of the pub's car park, going through the woods to Mill Lane. Turn right and then left onto the footpath at the bottom of the short hill, through the woods. Keep straight on and then veer right, starting to go uphill.
7. Continue uphill and straight on until you reach a road - Wood Lane. Turn left, taking care as there are no pavements. Cross the road and just after the Kidmore End sign take the right hand footpath through the woods.
8. Continue on the footpath until it reaches Hazelmoor Lane. Turn left.
9. Continue on Hazelmoor Lane, **carefully crossing** Horsepond Road onto The Hamlet. As the road bends left, go through the wooden barrier and take the footpath to the right.
10. Continue on this footpath (which can be muddy in winter) until you come out of the woods. Turn right.
11. **Carefully cross Horsepond Road** and go straight on through a fenced area, continuing through the woods. Turn right at the end of the footpath which brings you out onto Woodlands Road.
12. Continue straight, turn right into Orchard Avenue. Walk to the end of the road, turn right into Lambourne Road, on through the housing estate until you reach Memorial Park. Continue back at your starting point by the car park.

Alternative Route

Continue along Kennylands Road until you reach the next right hand footpath towards the end of the houses and opposite Millennium Green. Turn right and keep straight on this footpath until you reach the end of Blackmore Lane. Pick up the route at point 4.
